Charters are typically available the day before a regatta. The boats will be picked up from our trailer. Zim will make every effort to have the boat off the trailer, however, this is not always possible and please be prepared to help unload the trailer. The boat should be returned to the trailer with the mast down and ready to be inspected and loaded onto the trailer. **Please be prepared to help load the trailer.**

I, _____, have read this entire agreement and understand my obligations to Zim Sailing for this charter and understand the penalties that will be incurred if I fail to adhere to this agreement. I am fully aware that Zim Sailing assumes no liability for injury or death sustained in conjunction with use of the chartered boat, equipment or trolley. As sailboat racing is an inherently dangerous sport and those choosing to participate in this type of activity do so at their own risk. Zim charters are not supplied with any liability or damage insurance. If this is desired, the charterer must secure this from a third-party provider and provide these documents to Zim so they can have them on file.
